Project Title:	Residential Development, St Peter Street, Peterhead
Client:	Tenants First Housing Co-Operative
Project Value:	£4,800,000
Project Status:	Construction works completed September 2008

The development has transformed a semi derelict area into a desirable residential area through the provision of 45 family houses and 9 apartments for the elderly. The development has created a community with a ‘sense of place’ and has successfully change the appearance and feel of the area from its traditional industrial past to a residential future for a thriving and sustainable community.
The layout includes 2 public courtyards and creation of a 'Homezone' on the existing street.

The development was completed and fully occupied August 2008

The development was Awarded winner 'Best Housing Development for Social Housing in the 2010 Herald Property Awards
